

## HOW TO FIND MAGAZINE or RESEARCH ARTICLES @ RTDL

GO TO RTDL website:

[redfordlibrary.org](http://redfordlibrary.org)

GO TO

[Kids](#) tab

GO TO

[Research & Study Tools](#) tab

Select from the following Databases

**CultureGrams**

**eLibrary Elementary**

**Kids Infobits**

**MEL Kids Gateway**

**SIRS Discoverer**

**World Book Kids**

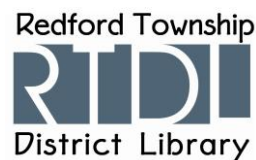

You may have to type in your library card number if you are away from the library.

Type in your topic or choose from the topics listed or graphically shown.

Choose full text, magazines, and other filters to help you narrow your search.

You can print the article or email the article to yourself. Many times citation (publication) information will be listed for an article, such as magazine name, author, date of publication, page numbers, etc. to help to build a bibliography.

Be sure to look at the [Teacher Resources](#) tab as part of the RTDL [Kids](#) section of the website.
